If the bid is greater than another bidder’s automatic bid, the system will consider this flat bid as the current (winning) bid. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government may impose additional terms and conditions to grant an extension.

### **17. CLOSING COSTS, DOCUMENTARY STAMPS AND COST OF RECORDING**

All closing costs, including escrow and financing fees, shall be borne solely by the Purchaser. The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain at Purchaser's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal, state and local law.

All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.

Within five (5) business days from receipt of the executed deed, the Purchaser's Escrow Holder shall record the quitclaim deed in the official records of the county. The Purchaser's Escrow Holder shall provide GSA a conformed copy of the recorded quitclaim deed within five (5) business days of recording to: [PacificPoint@gsa.gov](mailto:PacificPoint@gsa.gov).

## **18. OFFICIALS NOT TO BENEFIT**

No member or delegate to the Congress, resident commissioner or Government official shall be admitted to any share or part of the contract of sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the contract of sale if made with a corporation for its general benefit. GSA employees are prohibited from bidding on the Property offered in the IFB.

## **19. CAPACITY TO CONTRACT**

Bidders must have the legal capacity to enter into a contract in order to bid and acquire the Property.

## **20. ANTITRUST LAWS**

The contract made by the acceptance of bid by the Government may be transmitted to the Attorney General of the United States for advice as to whether the sale would tend to create or maintain a situation inconsistent with antitrust laws. The Government may rescind the acceptance of any bid, in case unfavorable advice is received from the Attorney General, without liability on the part of the Government other than to return any and all deposits held by the Government without interest.

The bidder represents that it does not use covered telecommunications equipment or services, or use any equipment, system or service that uses covered telecommunications equipment or services. The statute prohibits contracting with an entity that uses certain telecommunications equipment or services produced by the below entities, companies, affiliates, or subsidiaries:

- Huawei Technologies Company

# INSTRUCTIONS TO BIDDERS

---

## 1. AUCTION START DATE

The auction opens on **Monday, August 30, 2021** at 11:00 a.m. (Central Time).

## 2. TYPE OF SALE

This sale will be an online auction conducted at [RealEstateSales.gov](https://RealEstateSales.gov). The auction will be conducted over a period of time, usually several weeks, as determined by bid activity. The date of the auction close (see Paragraph 10, Auction Close) will be announced at [RealEstateSales.gov](https://RealEstateSales.gov), with at least three business days prior notice. The auction may continue beyond that date as long as bidders continue to submit higher bids. Thus, the bidders determine when the sale closes by their bidding activity.

## 3. BIDS AND TERMS OF SALE

Bids to purchase must be ALL-CASH. Buyers are expected to arrange their own financing and to pay the balance in full by the closing date. No Government credit terms are available. GSA has no information on the availability of private financing or on the suitability of this Property for financing.

## 4. STARTING BID

This auction is being opened with an amount which does not represent the value of the Property but rather provides a reasonable starting point for the online auction. The starting bid will be displayed as the Current Bid. The Government seeks to obtain fair market value for the Property and reserves the right to reject any and all bids.

## 5. BIDDER REGISTRATION AND DEPOSIT

a. Bidder registration is a three-step process:

- (1) **Complete Online Registration:** Bidders must register online at [RealEstateSales.gov](https://RealEstateSales.gov). Click on "Register", establish a Username and Password and provide the requested account information including a valid email address. A Username and Password are used to register online and to place bids. The required password must be between six and fifteen characters. You will be asked to read and agree to the terms and conditions of the Website. GSA reserves the right to change the online terms and conditions. A previously registered bidder of [GSAAuctions.gov](https://GSAAuctions.gov) can login using the established Username and Password. In the event you forget your Username or Password, or both, or are locked out from the system, it is your responsibility to obtain your Username and Password from [RealEstateSales.gov](https://RealEstateSales.gov). GSA staff cannot assist in retrieving a lost or forgotten Username or Password.

[GSAAuctions.gov](https://GSAAuctions.gov) has implemented Multi-Factor Authentication (MFA) for access to [RealEstateSales.gov](https://RealEstateSales.gov). Every user must register their User ID information if they have not yet set up their MFA. Once registered, you may log in using your email and password and a numeric verification code. This verification code is delivered to you by one of the delivery methods you chose during your registration process. For additional information on MFA, please review the [GSAAuctions.gov FAQ](#) page.

You may register as either an individual or as a company and this information must be the same information provided on the Bidder Registration and Bid Form for Purchase of Government Real Property. Changes to title may be considered after bid acceptance at the discretion of the Government. If you wish to participate as an individual and a representative of a company, you must register separately for each and place bids accordingly.

In accordance with Public Law No. 104-134, Section 31001, the Debt Collection Improvement Act of 1996, the Tax Identification Number (TIN) must be provided by anyone conducting business with the Federal Government, from which a debt to the Government may arise. Individuals cannot successfully register to bid on items without providing a TIN. A TIN is defined as an individual's Social Security Number (SSN) or business entity's Employer Identification Number (EIN). If you registered as an Individual, your SSN will be validated with your name and address. If you registered as a Company, your business identity's EIN will be validated with your company name and address. The use of an

individual's SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a), and will be collected to verify the data submitted by the user.

An authentication process will be conducted to confirm the identity of individuals and companies to prevent potential fraudulent bidding activity and to ensure that bidders are prepared to accept responsibility for their bidding activity and all submitted bids are valid. **The identity and credit card information you provide at registration is used strictly for authentication purposes. GSA Auctions® does not automatically charge credit cards on file.**

For more information and assistance on the online registration process, please go to <https://realestatesales.gov/html/static/faq.htm>.

- (2) **Complete Registration Form:** Bidders must complete and submit the official Bid Form titled "Bidder Registration and Bid Form for Purchase of Government Real Property" accompanying this IFB. All information and certification requested thereon must be provided. Bidder registration and bids submitted which fail to furnish all information or certifications required may be summarily rejected. The Bid Form should be filled out legibly with all erasures, strikeovers and corrections initialed by the person signing the bid. The Bid Form must be signed and dated. Additional bid forms are available upon request or you may photocopy the form in this IFB.
- (3) **Provide Registration Deposit:** A deposit in the amount of \$500,000 (the "Registration Deposit") must accompany your Bidder Registration and Bid Form. Registration Deposits must be provided in the form of a cashier's check, or certified check. Personal or company checks are NOT acceptable and will be returned to the sender. - c. It is the responsibility of the bidder to ensure that adequate time is available to complete the registration process as described above. The identity authentication process, if unsuccessful, may require a bidder to provide additional information by email for manual verification and may take several business days to complete. Bidders may receive a registration failure notice from [registration@gsa.gov](mailto:registration@gsa.gov). Bidders will need to reply and provide the necessary documentation to be reviewed which may take up to 24-48 hours to validate and approve. The Government makes no representation or guarantee that any additional assistance or time will be provided to complete the registration process. No bidder will be allowed to participate in the sale until the entire registration process is complete.
- d. Registration may occur any time prior to the conclusion of the auction. The Government, however, makes no representation or guarantee that your registration will be completed prior to the announced date and time for the receipt of final bids. Therefore, bidders are encouraged to register before the auction opens.

## 6. BIDDING IN GENERAL

- a. Registered bidders may bid online by following the instructions at [RealEstateSales.gov](https://RealEstateSales.gov). By submitting your bid through [RealEstateSales.gov](https://RealEstateSales.gov), you agree that your bid is a binding offer. You will be legally obligated for any and all bids submitted using your Username and password.

After successful completion of the registration process, users, also known as "Bidders," are permitted to participate in online auctions. The Bidder Menu provides you with the capability to browse and place bids; track items of interest; follow auctions where bids have been placed; to change your personal information and settings; and to access an easy-to-use online Help Menu.

GSA Auctions® provides up-to-date information on your bidding status. You can check the bidding status by clicking on the Bid History.

- b. Bids received through [RealEstateSales.gov](https://RealEstateSales.gov) are date and time stamped Central Time. The Government will not be responsible for any discrepancies between the time indicated on the Website and the apparent time indicated, displayed, or otherwise stated or represented by a registered bidder.
- c. Bids must be submitted without contingencies.
- d. Bidders that are currently in default status on GSA Auctions®, for non-payment or non-removal of items, will not be allowed to place bids for real property. They will only be allowed to "browse" the items. Once a bidder cures their default, they will be unblocked and be given access to begin bidding on items upon receipt of the required Registration Deposit. For more information, review the GSA Auctions® [Terms and Conditions](#).

## 7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

Bidders are strongly encouraged to monitor bidding activity at [RealEstateSales.gov](https://RealEstateSales.gov). Bidders may also review bid activity by clicking on the "My Messages" tab once logged in. New bids are immediately posted at [RealEstateSales.gov](https://RealEstateSales.gov) upon receipt. If you no longer have the high bid and the sale has not closed, you can go back to the item and place another bid. Bids cannot be lowered or canceled.

If your bid is not accurately shown on [RealEstateSales.gov](https://RealEstateSales.gov), then you should call GSA at (415) 265-6591 or (415) 734-8367. Bidders are urged to pay close attention to [RealEstateSales.gov](https://RealEstateSales.gov) which will contain new, revised, and useful information regarding the high bid, modification to bid increment and the closing date of the auction that is subject to change. Bidder agrees and accepts that notices of any changes to the terms and conditions of sale or instructions to bidders is satisfactory when made available on either or both of GSA's real property disposal websites at [RealEstateSales.gov](https://RealEstateSales.gov) and/or [GSA.gov/PacificPoint](https://GSA.gov/PacificPoint).

## 8. ONLINE BIDDING

[RealEstateSales.gov](https://RealEstateSales.gov) allows you to place either a flat or automatic ("proxy") bid. A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder's automatic bid, the system will consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder's automatic bid, the system will record the bid but it will not be considered the current (winning) bid. The required minimum bid will be specified on the bid screen and once entered it will be displayed as the winning bid unless an automatic bid that is greater than this amount has been placed.

An automatic bid is an amount that you set above the posted minimum bid. [Realestatesales.gov](https://RealEstateSales.gov) will use as much of your bid as needed to make you the current winner of the auction or to meet the auction's reserve price. The system will automatically apply the minimum Bid Increment up to the total amount bid to make you the current winner of the auction or to meet the auction's reserve price. Your automatic bid amount is not shown to other bidders until it is reached through competitive bidding. You may change your bid amount but not less than the next bid increment amount. If the system reaches your automatic bid limit, it stops bidding for you. Submit another bid if you want to continue bidding. If you selected to receive e-mail notifications during registration, the system will notify you if you are no longer holding the winning bid. You can submit another flat bid or reset your automatic bid amount if you want to continue bidding. Your automatic bid is not shown to other bidders. If a reserve price is set, [RealEstateSales.gov](https://RealEstateSales.gov) will use as much of your bid as needed to meet the reserve price.

When two automatic bids compete, the greater of the two always wins. If the greater automatic limit does not exceed the lesser automatic limit by the full stated Bid Increment, then the greater automatic limit bid is placed. You may increase or decrease your automatic bid limit at any time. You cannot decrease your automatic bid below the current bid. If you are currently the winner in an auction, increasing your automatic bid will not increase your current bid until challenged by another bid. Changing your automatic bid may affect the indicated time remaining.

If you learn from [RealEstateSales.gov](https://RealEstateSales.gov) that your bid was not the high bid, or if another bidder exceeds your previous high bid, you may increase your bid at [RealEstateSales.gov](https://RealEstateSales.gov) until such time as bidding is closed. Increases in previously submitted bids are welcome and your Registration Deposit will apply to subsequent increased bids. All increased bids must be made online. **The Government reserves the right to modify the Bid Increment at any time prior to the close of the auction.**

## 9. TRANSMISSION AND RECEIPT OF BIDS

The Government will not be responsible for any failure attributable to the inability of the bidder to transmit or the Government to receive registration information, bid forms or a bid by any method. Failure to receive registration information, bid forms or a bid may include, but is not limited to the following:

- a. Receipt of a garbled or incomplete bid.
- b. Availability or condition of the sending or receiving electronic equipment.
- c. Incompatibility between the sending and receiving equipment and software.
- d. Malfunctioning of any network, computer hardware or software.
- e. Delay in transmission or receipt of a bid.
- f. Failure of bidder to properly identify the bid.
- g. Security of bid data.
- h. Inability of bidder to enter bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
- i. Unavailability of GSA personnel.

If your bid is not accurately shown or you cannot enter a bid at [RealEstateSales.gov](https://RealEstateSales.gov) then you should call GSA at (415) 734-8367 or (415) 265-6591 for assistance.

The Website will NOT be available during the following system maintenance windows:

- Saturday: 5:00 a.m. to 8:00 a.m. CT
- Sunday: 6:00 a.m. to 10:00 a.m. CT

Occasionally, technical problems will interrupt the bidding process for an unspecified amount of time. These interruptions may affect some or all bidders. In the event of an interruption, an evaluation of the length of interruption time and the numbers of bidders affected may prompt GSA Auctions<sup>SM</sup> to extend the closing time for an auction. Extension may range from 1 hour to 24 hours based on the aforementioned criteria, to insure fair and full competition. An email notification will be sent to those bidders who participated in these auctions when they are extended.

## 10. CLOSE OF AUCTION

- a. Posting of the Close of Auction. The Government will post on [the Website](#) the date and time on which the auction is anticipated to close (shown on the Website as "Close Time"). This posting is typically at least three (3) business days prior to the posted Close Time. The Website will also show the days, hours and minutes remaining until the Close Time (shown on the Website as "Time Remaining").
- b. Inactivity Period and Closing of Auction. When the Close Time is posted, a twenty-four (24) hour inactivity period is established (shown on the Website as the "Inactivity Period") and is posted under the "Bidding Details" tab of the Website. Note that the Website shows the Inactivity Period in minutes with 24 hours represented as 1440 minutes. In order for the Auction to close, the High Bid must remain unchanged for

the Inactivity Period. Each time a new High Bid is received within the Inactivity Period or if the maximum amount that a Bidder is willing to pay for the Property under a proxy Bid is changed within the Inactivity Period, the Auction will automatically extend for an additional 24 hour Inactivity Period. The Time Remaining and Close Time will adjust accordingly. If the High Bid remains unchanged for the full Inactivity Period, the Auction will close.

- c. Exceptions for Weekends and Holidays. Notwithstanding the foregoing, **online auction sales cannot end on Weekends or Federal Holidays.** Therefore, if the posted Inactivity Period extends into a Weekend or Federal Holiday, which the Website defines as the time between: (i) 12:00 am on Saturday until 11:59 pm on Sunday; or (ii) the 24-hour period between 12:00 am to 11:59 pm on any Federal Holiday, the Auction will automatically extend to the same time on the first business day following the Weekend or Federal Holiday. Examples are in the table below. Federal Holidays are listed here [List of Federal Holidays](#).

| <b><i>Bid made on:</i></b>     | <b><i>New closing time</i></b> |
|--------------------------------|--------------------------------|
| <i>9 pm CT on Friday</i>       | <i>9 pm CT on Monday</i>       |
| <i>11:30 am CT on Saturday</i> | <i>11:30 am CT on Monday</i>   |
| <i>4:40 pm CT on Sunday</i>    | <i>4:40 pm CT on Monday</i>    |

**Bidders are responsible for monitoring the Website for the posting and any changes to the Close Time, the Inactivity Period, and the Time Remaining.**

## **11. ACCEPTABLE BID**

An acceptable bid is one received from a responsible bidder, whose bid, conforming to this IFB, will be most advantageous to the Government.

## **12. BID EXECUTED ON BEHALF OF BIDDER**

A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.

If the bidder is a corporation, the Certificate of Corporate/Organization Bidder, included in this IFB, must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid, copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

If the bidder is a partnership, and all partners sign the bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid form and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute bids on behalf of the partnership. The name(s) and signature(s) of the designated bidder(s) must be included on the Bidder Registration and Bid Form.

If the bidder is a limited liability company, a certificate of the LLC must be completed and executed by the manager and submitted with the Bidder Registration Form. The Certificate of Corporate/Organization Bidder form may be used for this purpose.

### **13. NOTICE OF ACCEPTANCE OR REJECTION**

Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed, mailed or e-mailed to the bidder or their duly authorized representative at the fax number physical address or e-mail address indicated on the Bid Form. The processing of a registration deposit by the Government shall not, in itself, constitute acceptance of the bidder's offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

### **14. AUCTION SUSPENSION OR CANCELLATION**

The Government reserves the right to temporarily suspend or cancel the auction for any reason without accepting a bid and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems, or other bidding issues, the Government will determine the high bidder and the high bid amount; re-open bidding and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and Registration Deposits will be returned to bidders without interest or further obligation by the Government.

### **15. INCREASE OF EARNEST MONEY AND TRANSACTION CLOSING**

Within three (3) business days of acceptance of a bid by the Government, the Purchaser agrees to deposit an additional amount, if required, in the form of an electronic wire transfer, which when added to the Registration Deposit, will equal at least ten percent (10%) of the total bid. Failure to provide these funds will result in a default and forfeiture of the Registration Deposit.

Upon written acceptance of a bid, the Earnest Money shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of a certified check, cashier's check or electronic wire transfer is payable within sixty (60) calendar days after acceptance of bid. At the time of closing, all monies paid by the Purchaser will be credited, without interest, toward the total purchase price.

### **16. REFUND OF REGISTRATION DEPOSITS**

Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Bidders who provided Registration Deposits by check will receive their check by mail. Refunds will only be processed to the same individual or entity identified on the Bidder Registration and Bid Form for Purchase of Government Real Property.

Registration Deposits received from the second highest bidder will be held as stipulated in Paragraph 17, Backup Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to withdraw from the auction unless the bidder is the first or second highest bidder. Return of registration deposits will be processed in a timely manner but may require several days before the deposit is returned.

### **17. BACKUP BIDDER**

The second-highest bidder will be the Backup Bidder. The bid of the Backup Bidder may be considered for acceptance for the duration of Continuing Offer period described in Terms of Sale, Paragraph 15, Continuing Offers, if: 1) the original High Bidder is unable to fully complete the transaction according to the terms and conditions of the IFB; or 2) if the original High Bidder fails to provide the required 10% of the purchase price as Earnest Money. The Bidder identified as the Backup Bidder agrees that their Bid remains a bona fide offer with which their Registration Deposit may be retained without interest, until the High Bidder provides the 10% Earnest Money or completes the transaction or both, at the Government's discretion. During the Continuing Offer period, the Bidder identified as the Backup Bidder agrees that they will not request retrieval, chargeback or any other cardholder refund and understands that a debt to the United States of America may be created if their deposits are in any way unavailable to the Government to which any party that participates in such chargeback or refund may be held accountable as provided in Terms of Sale, Paragraph 9, Revocation of Bid and Default. When the Backup Bidder is converted to the High Bidder, all terms, conditions and agreements described in the IFB are applicable to the successful bidder.

The Registration Deposit of the Backup Bidder will be returned as described in Paragraph 16, Refund of Registration Deposits, if the Backup Bidder is not converted to the High Bidder. In the event that the Government is unable to complete the transaction with the highest or backup bidder, the Government reserves the right to consider the remaining bid(s) and accept a bid that is in the best interest of the Government.

## **18. ADDITIONAL INFORMATION**

GSA will provide additional copies of this IFB and make every effort to answer requests for additional information concerning the Property to facilitate preparation of bids. ### **QUITCLAIM DEED**

**THIS INDENTURE**, made this \_\_\_\_ day of \_\_\_\_\_, 20\_\_, by and between the United States of America, acting by and through the Administrator of General Services, (herein referred to as "GRANTOR"), under and pursuant to the powers and authority contained in the provisions of Title 40 U.S. Code, Chapter 5, et seq. as amended, and regulations and orders promulgated thereunder, and more particularly Public Law 114-287, 130 Stat. 1463, approved December 16, 2016, and \_\_\_\_\_, (herein referred to as "GRANTEE").

**WITNESSETH**, the GRANTOR, for consideration of \_\_\_\_\_ DOLLARS (\$\_\_\_\_\_), the receipt and sufficiency of which is hereby acknowledged, and by these presents does hereby remise, release, and quitclaim to the GRANTEE, and to its successors and assigns, all of its right, title, interest in all of that certain real property, more commonly known as Pacific Point located at 400 15th Street SW, City of Auburn, King County, State of Washington with Assessor's Parcel Number 2421049004, more particularly described in Exhibit A - Legal Description, attached hereto and made a part hereof (herein referred to as "PROPERTY").

### **THIS CONVEYANCE IS SUBJECT TO THE FOLLOWING:**

**1. PROPERTY.** The conveyance of the PROPERTY is subject to all of the covenants, conditions, restrictions and reservations provided in this Indenture.

### **2. RESERVED ESTATE**

GRANTOR hereby reserves an estate over the entire PROPERTY for the continued use and occupancy of the PROPERTY. Terms of the estate are attached as Exhibit B, attached hereto and incorporated herein by reference.

### **3. PROPERTY USE**

- A. Use Restriction. GRANTEE covenants that the PROPERTY shall be used solely for industrial purposes. GRANTEE understands that GRANTOR conveyed the PROPERTY solely for this re-use, remediated the PROPERTY for industrial re-use, and calculated the value of the PROPERTY based on that understanding.
- B. Notwithstanding the foregoing, GRANTEE may use the PROPERTY for any other uses, if and only if, GRANTEE (1) performs all environmental remediation activities (as that term is most liberally defined) which

may be required by all appropriate regulatory bodies, including, but not limited to the Washington Department of Ecology, or their successors, and the United States Environmental Protection Agency, except as required to be performed by the GRANTOR under Paragraph 3.B below, and (2) obtains any necessary approvals for said re-use from said regulatory bodies. If GRANTEE, and its successors and assigns, engages in or undertakes uses of the PROPERTY other than industrial, then (i) GRANTOR shall have no liability for environmental remediation costs in excess of those costs which would have occurred had the PROPERTY been developed solely for industrial use, and (ii) GRANTEE, and its successors and assigns, waives any right to claim such excess costs from GRANTOR.

- C. Indemnity. GRANTEE, and its successors and assigns, hereby agrees to indemnify, hold harmless, and defend the United States of America, and its agents, for all response costs (including, but not limited to remediation, monitoring, removal, transport, and defense) in excess of those costs which would have occurred had the PROPERTY been developed solely for industrial use; provided, however, this indemnity shall not be enforceable against the State of Washington, since it is currently prohibited by law from giving such indemnities, but shall apply to, and be enforceable against, its successors and assigns, to the extent permitted by law.

#### **4. HAZARDOUS SUBSTANCE NOTIFICATION**

- A. Notice Regarding Hazardous Substance Activity. Pursuant to 40 CFR 373.2 and Section 120(h)(3)(A)(i) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA) (42 U.S.C. §9620(h)(3)(A)(i)), and based upon a complete search of agency files, GRANTOR gives notice that the "Phase I Environmental Site Assessment, General Services Administration, 400 15th St SW Auburn, Washington, Eastern Research Group, Inc., November 20, 2015" ("Phase I"), and the "Sampling and Analysis Report Phase II Environmental Site Site Assessment, General Services Administration, 400 15th St SW Auburn, Washington, Eastern Research Group, Inc., June 10, 2016" ("Phase II"), provide an index of environmental conditions and investigative.

- B. CERCLA Covenant. GRANTOR warrants that all remedial action necessary to protect human health and the environment has been taken before the date of this conveyance. GRANTOR warrants that it shall take any additional response action found to be necessary after the date of this conveyance regarding hazardous substances located on the PROPERTY on the date of this conveyance.

1) This covenant shall not apply:

- (a) in any case in which GRANTEE, its successor(s) or assign(s), or any successor in interest to the PROPERTY or part thereof is a Potentially Responsible Party (PRP) with respect to the PROPERTY immediately prior to the date of this conveyance; OR
- (b) to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the GRANTEE, its successor(s) or assign(s), or any party in possession after the date of this conveyance that either:
  - (i) results in a release or threatened release of a hazardous substance that was not located on the PROPERTY on the date of this conveyance; OR
  - (ii) causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which was known and identified to the applicable regulatory authority as of the date of this conveyance.
- (c) Any response costs that would not be required for an industrial use.

2) In the event GRANTEE, its successor(s) or assign(s), seeks to have GRANTOR conduct any additional response action, and, as a condition precedent to GRANTOR incurring any additional cleanup obligation

or related expenses, the GRANTEE, its successor(s) or assign(s), shall provide GRANTOR at least 45 days written notice of such a claim. In order for the 45-day period to commence, such notice must include credible evidence that:

- (a) the associated contamination existed prior to the date of this conveyance; and
- (b) the need to conduct any additional response action or part thereof was not the result of any act or failure to act by the GRANTEE, its successor(s) or assign(s), or any party in possession.

C. Access. GRANTOR reserves a right of access to all portions of the PROPERTY for environmental investigation, remediation or other corrective action. This reservation includes the right of access to and use of available utilities at reasonable cost to GRANTOR. These rights shall be exercisable in any case in which a remedial action, response action, or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property. Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors, and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the PROPERTY and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. Any such entry, including such activities, responses or remedial actions, shall be coordinated with record title owner and shall be performed in a manner that minimizes interruption with activities of authorized occupants.

## **5. AS-IS, WHERE-IS.**

A. GRANTEE agrees and acknowledges that GRANTOR is selling the PROPERTY strictly on an "as is, where is", with all faults basis, without warranty, express or implied, with any and all latent and patent defects. GRANTEE acknowledges that GRANTOR has made the PROPERTY available for inspection by GRANTEE and GRANTEE's representatives. GRANTEE has inspected, or will have inspected prior to closing, the physical condition of the PROPERTY to the extent felt necessary by GRANTEE, including all improvements thereon, and accepts title to the same "as is" in its existing physical condition. GRANTEE acknowledges that it is not relying upon any representation, warranty statement or other assertion of the United States of America, as GRANTOR, including its agencies or any official, agent representative or employee of the foregoing, with respect to the PROPERTY's conditions. except as set forth in the contract, GRANTEE is relying solely and wholly on GRANTEE's own examination of the PROPERTY, is fully satisfied with the PROPERTY, and accepts any liabilities or costs arising in connection with the condition of the PROPERTY, including, but not limited to any costs or liabilities pertaining to any environmental condition on the PROPERTY. Except as set forth in Section C, below, the United States of America and its agencies disclaim any and all express or implied warranties and specifically make no warranties of title, habitability, merchantability, suitability, fitness for any purpose, or any other warranty whatsoever. GRANTEE is put on notice that any prior grant and/or encumbrance may be of record and GRANTEE is advised to examine all public records available regarding the PROPERTY.

B. No employee or agent of GRANTOR is authorized to make any representation or warranty as to the quality or condition of the PROPERTY, merchantability, suitability or fitness of the PROPERTY for any use whatsoever, known or unknown to GRANTOR, or compliance with any environmental protection, pollution or land use laws, rules, regulations, orders, or requirements including, but not limited to, those pertaining to the handling, generating, treating, storing, or disposing of any hazardous waste or substance. In no event shall GRANTOR be responsible or liable for latent or patent defects or faults, if any, in the PROPERTY or for remedying or repairing the same including, without limitation, defects related to asbestos or asbestos

containing materials, lead, lead-based paint, underground storage tanks, mold, radon or hazardous or toxic materials, chemicals or waste, or for constructing or repairing any streets, utilities or other improvements shown on any plat of the PROPERTY.

- C. Nothing in this "as is, where is" provision will be construed to modify or negate the GRANTOR's obligation under the CERCLA covenant or any other statutory obligations.

## **6. NOTICE OF THE POTENTIAL PRESENCE OF ASBESTOS**

- A. The GRANTEE is advised that the PROPERTY may contain asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers, and which can result in disability or death.
- B. GRANTEE is invited, urged, and cautioned to inspect the PROPERTY as to its asbestos content and condition and any hazardous or environmental conditions relating thereto prior to conveyance. The GRANTOR will assist GRANTEE in obtaining any authorization(s) which may be required in order to carry out any such inspection(s). GRANTEE shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the PROPERTY including, without limitation, any asbestos hazards, or concerns.
- C. No warranties either express or implied are given with regard to the condition of the PROPERTY including, without limitation, whether the PROPERTY does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder (offeror) to inspect, or to be fully informed as to the condition of all or any portion of the PROPERTY offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.
- D. The description of the PROPERTY set forth in this conveyance document and any other information provided therein with respect to said PROPERTY is based on the best information available to the disposal agency and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the PROPERTY or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.
- E. The GRANTOR assumes no liability for damages for personal injury, illness, disability or death, to the GRANTEE, or to the GRANTEE's successors, assigns, employees, invitees, licensees, or any other person subject to GRANTEE's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the PROPERTY which is the subject of this conveyance, whether the GRANTEE, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.
- F. The GRANTEE further agrees that in its use and occupancy of the PROPERTY it will comply with all Federal, state, and local laws relating to asbestos.

## **7. NOTICE OF THE POTENTIAL PRESENCE OF LEAD-BASED PAINT FOR NONRESIDENTIAL REAL PROPERTY CONSTRUCTED PRIOR TO 1978.**

GRANTEE is put on notice that the PROPERTY has buildings built prior to 1978 and is thereby notified that such property may present exposure to lead from lead-based paint. Moreover, GRANTEE covenants and agrees, for itself and its assigns, that in its use and occupancy of the PROPERTY it will comply with all applicable Federal, State and local laws relating to lead-based paint; and that GRANTOR assumes no liability for damages for personal injury, illness, disability or death to the GRANTEE, its successors or assigns, or any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with lead-based paint on the PROPERTY described in the Quitclaim Deed, whether GRANTEE, its successors or assigns has properly warned or failed to properly warn the individual(s) injured. GRANTEE further agrees to indemnify, defend and hold harmless the GRANTOR from any and all loss, judgment, claims, demands, expenses or damages, of whatever nature which might arise or be made against the United States of America, due to, or relating to the presence of lead-based paint hazards on the PROPERTY; GRANTEE covenants and agrees that it will comply with all Federal, State, local, and any other applicable law(s) regarding the lead-based paint hazards with respect to the PROPERTY.

## **8. NOTICE OF THE PRESENCE OF PESTICIDES.**

GRANTEE is notified that the PROPERTY may contain the presence of pesticides that have been applied in the management of the PROPERTY. The United States knows of no use of any registered pesticide in a manner inconsistent with its labeling, and believes that all applications were made in accordance with the Federal Insecticide, Fungicide and Rodenticide Act ("FIFRA") at 7 U.S.C. Sec. 136, et seq., its implementing regulations, and according to the labeling provided with such substances. Furthermore, that in accordance with the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA") at 42 U.S.C. Sec. 9601, et seq., the use of such substances is not a "release" (as defined in CERCLA at 42 U.S.C. Sec. 9601 (22)), but instead the use of a consumer product in consumer use (42 U.S.C. Sec. 9601(9)), and the application of a pesticide product registered under FIFRA for which recovery for response costs is not allowed (42 U.S.C. Sec. 9607(ii)).

## **9. NOTICE OF THE PRESENCE OF POLYCHLORINATED BIPHENYLS (PCBs)**

GRANTEE covenants and agrees, on behalf of themselves, their successors and assigns, that in their use and occupancy of the PROPERTY, or any part thereof, they are responsible for compliance with all Federal, state and local laws relating to Polychlorinated Biphenyls ("PCB"); and that, by virtue of this Quitclaim Deed, GRANTOR assumes no liability for damages for personal injury, illness, disability or death, to the GRANTEE, or to GRANTEE'S successors, assigns, employees, invitees, or to any other person subject to the control or direction of GRANTEE, its successors or assigns, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with PCB on the PROPERTY described in this Quitclaim Deed, whether the GRANTEE, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

**THIS INDENTURE IS EXPRESSLY MADE SUBJECT TO** all covenants, reservations, easements, restrictions, and rights, recorded or unrecorded, for public roads, highways, streets, railroads, power lines, telecommunication lines and equipment, cable, pipelines, drainage, sewer and water mains and lines, utilities and other right-of-ways, including but not limited to the specific reservations, rights, and covenants described herein, and to any fact which a physical inspection or accurate display or survey of the PROPERTY may disclose.

**COVENANTS RUN WITH THE LAND.** The covenants, conditions and restrictions contained herein shall run with the land and shall bind and inure to the benefit of GRANTOR and GRANTEE and their respective successors and assigns.

**SAID PROPERTY** transferred hereby in accordance with Public Law 114-287; 130 Stat. 1463 and assigned to the General Services Administration for disposal pursuant to Title 40, U.S. Code, Chapter 5, et seq., as amended and applicable rules, orders, and regulations thereunder.

**IN WITNESS WHEREOF**, the **GRANTOR** has caused this indenture to be executed as of the day and year first written above.

- A. **Term.** GRANTOR will have unfettered access to the Reserved Property at all times. The term of this reserved estate will commence on the date of the conveyance of the PROPERTY to GRANTEE and will terminate no later than thirty (30) months thereafter (the "Termination Date"). In the event that GRANTOR vacates the Reserved Property prior to the Termination Date, GRANTEE must accept the Reserved Property, or any portion thereof, as applicable, as of the date GRANTOR vacates and the reserved estate created hereby will terminate at such earlier date for the Reserved Property, or any portion thereof, so vacated. In connection with this reserved estate, GRANTOR hereby reserves, during the term of this reserved estate, a nonexclusive easement for vehicular and pedestrian ingress and egress over that portion of the PROPERTY necessary for GRANTOR's access to the Reserved Property.
- B. **Reserved Estate Fee.** GRANTOR retains the reserved estate created hereby without payment of a Reserved Estate Fee or fee of any kind to GRANTEE.

GRANTEE will not interfere with or diminish the utility services to the Reserved Property (other than *de minimis* interruptions). Upon termination of the Reservation, GRANTOR shall not have any obligation to restore, repair, replace or remove any facilities.
- E. **Maintenance of Buildings.** Except for GRANTEE's obligations under paragraph D, above, GRANTEE will not be responsible for repairs to the Reserved Property. GRANTOR will be responsible for the costs of utilities, maintenance, janitorial, and any other services furnished to the Reserved Property necessary to support the continued occupancy. - G. **Damage or Destruction.** In the event the Reserved Property, or any portion thereof, is damaged or destroyed, partially or totally, from any cause whatsoever, GRANTOR, has the right, but not the obligation, to repair, restore and rebuild the Reserved Property, or any portion thereof, to a condition functional for the Government's continued occupancy, and this reserved estate will continue in full force and effect. In the event that GRANTOR does not opt to repair or restore or cannot occupy the Reserved Property or any portion thereof, GRANTOR will surrender the Reserved Property or any portion thereof to GRANTEE.

H. Surrender of the reserved estate. Upon termination of the reserved estate, GRANTOR will surrender the Reserved Property and GRANTEE will accept the Reserved Property in the then "as is" condition. If, at the end of the term, GRANTOR elects to abandon any personal property in place, title thereto will pass to GRANTEE.

## **ATTACHMENT B: City Parcel Disclosure**

### **City of Auburn, Public Benefit Conveyance Parcels, 8.39 +/- acres**

The City of Auburn owns a 8.04 +/- acre property located at 2905 C Street S.W., Auburn, WA that is adjacent to the southern perimeter of Pacific Point, also known as the Auburn Complex ("Picture 1"). In 2006, GSA conveyed this parcel (Parcel A), that was improved with an approximately 12,208 square foot building (Building 815), along with a 0.35 +/- acre parcel (Parcel B), situated along C Street, to the City of Auburn through a Public Benefit Conveyance (PBC) for emergency management response purposes. The conveyance of the property to the City is conditioned, in perpetuity, on its use as an emergency management response center to serve the City in conjunction with its regional partners. Under PBC, the City is also required to construct or otherwise secure its own roadway access and utilities to support and operate the facility.

1. **Access.** There is no formal access arrangement between the United States and the City. The City parcel does not currently have physical vehicular or pedestrian access to C street. At this time, the City is accessing its parcel through the Auburn Complex to C Street (Hopping Street entrance). However, the City purchased Parcel C to assemble the three parcels and had planned to construct a new access road from C Street that would also cross the Boeing rail spur.
2. **Utilities.** The City parcel is currently connected to the Auburn Complex's utilities (water, storm water, sewer, and electrical). The City pays GSA for the utilities via a Reimbursable Work Agreement (RWA) annually. The RWA is based on the amount that the City paid for the space in the outlease agreement when they occupied the space during the time GSA owned it. The RWA is not based on actual utility costs. There is no formal agreement that discusses payment of utilities.

Upon the sale and transfer of the Auburn Complex, the City intends to coordinate access and utilities to serve their 8-acre emergency management PBC parcel with the purchaser as part of the development process. The City of Auburn's point of contact is:
